Tracking events and responsibilities

- Awards Chair – There is a new schedule and list of Awards that Jolanta P. provided. She needs this to be distributed to the Presidents and she will provide information about this to the Presidents at the next meeting. October 15th is the deadline for the Yearbook awards submission.
- Flower Shows and Events – There will news about the flower shows to be announced at the Fall Meeting. Lois Snover Hansen wants to be on the agenda, and she will go over some of the Flower Show news and ask for people to sign up for the Spring Flower Show entries.
- Schools/Education – Ann Schoals
- Special Interest Groups – Sharon Rodgers - Youth, Melinda Pope-Photography, Linda Mogyoros-Quilters, Lois Snover Hanson- Designers, unknown for Crafters.
- Technology - Laura
 - Resources – SharePoint – no update
 - Facebook access and login information – Terry Such
 - Each club can have a FB contributor to help add content. We should add one person from each club to the Page and Group (monitoring this group?). Terry explained that if each club (those with FB pages) could just share to the District IIB page, it would make looking for information a lot easier. Most clubs post important events on the pages and it only takes a quick share...they have to join the District IIB Facebook page. For the DIIB group page, they need to be a member.
 - Newsletter distribution- Debbie Richards

- One suggestion is to have the Steering Committee (task association included) and SIG leaders to be listed with contact information.

Steering Committee tasks/assignments notes:

Review the DIIB website and update pages.

Remind Presidents of the social media and FB needs that have been discussed.

Ask the Presidents to sign up for MGC 2022 Annual Conference – areas of duty. They also need to find at least one vendor and one advertiser for the Annual Conference. Every club that supports by taking an assignment and providing vendor and sponsor support will benefit and get a share of profits.
